

## Danish Data Center Industry

# AWARDS

16 May 2022, Nimb Copenhagen

## About the event

DDI is hosting the inaugural Danish Data Center Industry Awards in 2022. The event is set to celebrate outstanding achievements of the regional data center industry in Denmark, highlighting great innovations, cutting-edge technologies, partnerships, projects and teams.

The Awards dinner and ceremony will take place in Copenhagen on 16 May 2022, alongside the [Data Centers Denmark](#) conference, which will take place on 17 May 2022 at the Marriott Copenhagen.
